

1. What memberships or affiliations do you have to interest groups within the category(ies) you are applying for?
2. Will you commit to maintaining a good line of communication with the constituent groups and interests you represent? Describe how you've communicated with your constituents in the past.
3. The Ruckleshaus Institute will provide facilitation and has estimated a time requirement of up to 6 hours every 2-3 months. There would also be opportunities to visit WSA's, hopefully this fall. Based on this information, can you make a two to three year time commitment to this Advisory Board?
4. How often and for how long could you meet per month (for example, could you meet once for a whole day? Or twice for half a day? Or twice for two to three hours?)?
5. Is there any period of time that you will be away for a month or more?
6. Are there designations you would not consider supporting (wilderness recreation classifications, etc.)?
7. The Advisory Committee may designate place-based committees that have detailed knowledge specific to certain areas of public lands located in and around Teton County. If not chosen for the Advisory Committee, would you be willing to serve on place-based subcommittees?
8. If yes to the above, which area(s) do you know the most about?
