Dear Mr. Ladwig and Mr. Obermueller:

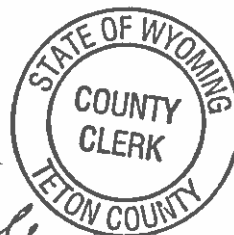

Thank you very much for your letter of invitation to join in the Wyoming Public Lands Initiative (WPLI). We very much appreciate the work undertaken by you and WCCA to bring this initiative to this point. On behalf of Teton County we accept the invitation to participate in the Wyoming Public Lands Initiative.

We look forward to participating and abiding by the County WPLI Principles and Guidelines attached to the invitation letter dated November 30th, 2015 and to attending the January 26th workshop in Lander. We will soon initiate the process to establish an Advisory Committee and will keep you apprised of our progress.

Respectfully,
